

Principles and background of GMP+

Description

Organisational changes or new activities of the organization may result in employees getting in touch with GMP+. Frequently reference is made to the GMP+ website to gain knowledge of the standard. At the website A, B, C and D documents can be found, standards and several appendices, newsletters, EWS, legislation and other publications. To separate the wood from the trees it is necessary to know the backgrounds and principles of the scheme.

The following subjects are dealt with:

- contents of the standard and appendices
- legislation
- history and background
- monitoring
- EWS
